

**OFFICE LOCATIONS & PHONE NUMBERS**

Alexandria, LA	318.445-6810	Jackson, MS	601.922.1364
New Orleans, LA	504.243.5500	Olive Branch, MS	662.890.4768
Covington, LA	985.893.3631	Houma, LA	985.868.4293
Shreveport, LA	225.603.3669		

**WATER AND WASTEWATER TREATMENT EQUIPMENT**

<b>AEROMIX SYSTEMS – RWL WATER</b>	Mechanical Aeration Equipment - Horizontal Mixing Aspirator, Submersible Aspirator, High & Low Speed Mechanical, & Horizontal Brush Types, Packaged Sewage Treatment Plants, Air Strippers, Packaged Water Plants & Reverse Osmosis Systems
<b>ASA ANALYTICS (CHEMSCAN)</b>	Water & Wastewater Quality Monitoring And Process Control – Advanced Photometric Sampling
<b>BIOAIR SOLUTIONS</b>	Biological Odor Control Equipment For Hydrogen Sulfide & VOC Removal
<b>FBC TECHNOLOGIES</b>	Floating Diffused Aeration Equipment For Oxygen Transfer & Ammonia Reduction in Lagoons
<b>GENERAL FILTER/MICROFLOC</b>	Pressure Filters, Aerators, Packaged Treatment Systems, Clarifiers, Iron/Manganese Removal Systems, Thickeners, Biological Treatment Systems, Gravity Filters, Sludge Removal Systems
<b>INSITE INSTRUMENT GROUP</b>	Dissolved Oxygen, ORP and Suspended Solids Instrumentation Equipment Using Fluorescence Technology - Portable or Stationary Mounted
<b>KEYSTONE CONVEYOR</b>	Belt And Screw Conveyor Systems - Elevators, Shuttles, Bins, Diverters, Silos, Blenders, Gates, Dust Collection
<b>MFG WATER TREATMENT PRODUCTS</b>	FRP Products for Clarifiers - Density Current Baffles, Launder Covers, Troughs, Weirs, Baffles
<b>PHOENIX PROCESS EQUIPMENT</b>	Sludge Dewatering Equipment - Belt Filter Press & Gravity Belt Thickeners; Packaged Systems With Controls, Piping & Chemical Feed
<b>RDP TECHNOLOGIES</b>	Bio-Solids Stabilization Systems - Storage And Conveying Systems, Chemical Feed Systems, In-Vessel Pasteurization for Class A Bio-Solids
<b>SANITAIRE ABJ - XYLEM</b>	High Efficiency Disc Diffusers, Membrane Diffusers, ICEAS Advanced SBR Systems, BioLoop Oxidation Ditches, and OSCAR Process Controls for Wastewater Treatment
<b>THERMAFAB, INC.</b>	Baffles & Liners; Floating Lagoon Baffles, Clearwell Curtains, Lagoon Liners Design, Fabrication, Installation Services
<b>UNIFILT CORPORATION</b>	Filter Media; Gravel, Sand, Anthracite
<b>ULTRAFLOTE</b>	Tank Covers; Clear Span, Corrosion Resistant
<b>VULCAN INDUSTRIES</b>	Headworks Equipment - Bar Screens, Stair Screens, In-Channel Fine Screens, Spiral Screens, Static Screens, & Internally Fed Rotary Screens, Screenings Conveyors, Washers and Presses; Grit Separator, Grit Classifier, Grit Washer
<b>WEDECO - XYLEM</b>	UV Ultraviolet Light Disinfection And Ozone Generators
<b>WESTECH ENGINEERING</b>	Headworks Equipment - Screens; Internally Fed Rotary, Stair Screen, Perforated Traveling Water Screen, Spiral Fine Screen – All Types of Clarifiers; Primary, Secondary, Scraper, Suction Header, Suction Pipe, COP, Flocculating, Solids Contact Sludge Thickeners, Dissolved Air Flotation, Anaerobic Digester Equipment; Tank overs, Mixers, Gas Storage, Heaters Biological Treatment; Trickling Filter Rotary Distributors, Oxidation Ditch Aeration/Mixing Equipment, Packaged Plants For Low Effluent Limits; General Filter Products for Water Treatment – MicroFloc Packaged Treatment Systems; Filtration; Continuous Backwash Filters, Pressure Filters, Membrane Filters, Vacuum Filter

## PUMPS

<b>A-C CUSTOM PUMP - XYLEM</b>	Custom Engineered Pumps For Large Flow Rates; Vertical & Horizontal; Raw Water, Drainage, Potable Water
<b>FLOWTRONEX - XYLEM</b>	Factory Packaged Pumping Systems With Complete Wiring, Piping & Controls; Custom & Standard Packages
<b>FLYGT - XYLEM</b>	Premium Submersible Pumps For Water & Wastewater and Abrasive Slurries; Solids Handling & Chopper Type; Wet Pit and Dry Pit Mounted; Axial & Mixed Flow Propeller Pumps; Permanent Installation & Portable/Contractor Dewatering Pumps; Mixed Flow Type Dry Pit Mounted Horizontal & Vertical Pumps For Solids Handling - Formerly Known As A-C Pump Or Allis Chalmers Pump; Submersible Direct Drive Mixers For Mounting On Guide Rail, Fixed, Or Tank Wall
<b>STEADY - XYLEM</b>	Submersible Pumps For Water & Wastewater; Solids Handling; Wet Pit – 3-20 Hp
<b>LOBEPRO</b>	Rotary Lobe, Positive Displacement Pumps
<b>TKM METERING PUMPS</b>	Chemical Feed Metering Pumps - Mechanical Diaphragm, Hydraulic Diaphragm, Plunger
<b>SRS CRISAFULLI</b>	Slurry Pumps And Dredges
<b>SULZER VERTICAL TURBINES</b>	Vertical Turbine Pumps - Centrifugal, Axial, & Mixed Flow
<b>ALL OF THE ABOVE</b>	Custom Engineered & Packaged Pumping Systems & Building Enclosures
<b>ACCESSORIES</b>	Access Covers, Hoists, Valves, All Types of Controls, Soft Starts, VFD's

## CONTROLS

<b>DANFOSS</b>	Variable Frequency Drives & Controllers; Soft Starts
<b>EG CONTROLS</b>	Automatic Pump Station Controls And Custom Control Systems For Special Applications
<b>PRIMEX CONTROL SYSTEMS</b>	Custom Controls For Pump Stations & Process Control Systems, Motor Control Centers, SCADA Integration
<b>SIEMENS INDUSTRIES</b>	Low and Medium Voltage ROBICON Variable Frequency Drives
<b>PRECISION SYSTEMS INC.</b>	Packaged Emergency Power & Control Systems For Water & Wastewater Pumping & Treatment Facilities
<b>XYLEM ANALYTICS</b>	YSI Brand Products – Process Instrumentation, MJK Products – Level and Flow Measurement, OI Analytics – TOC Analyzers

## VALVES AND ACUTATORS

<b>BLACKHALL</b>	AWWA C-500 Spec Solid Wedge Tapered Seat Gate Valve, 3"-72"; AWWA C-500 Parallel Metal Seat Gate Valve, 30"-108"
<b>CLA-VAL</b>	Self-Contained Hydraulic Operated Control Valves For Pressure Reducing, Relief, Pump Discharge, Water Hammer, Level & Altitude Control, And Combination Of Functions In One Valve; UL Listed & FM Approved Fire Water Control Valves & Deluge System Valves; Air Release, Air & Vacuum, Combination Air Release-Air Vacuum Valves; Rubber Flapper Check Valves
<b>EMERSON PROCESS CONTROLS (EIM)</b>	Valve Actuators; Quarter Turn & Multi-Turn; Electric, Hydraulic & Pneumatic Driven; Communication Interface
<b>HENRY PRATT COMPANY</b>	AWWA Butterfly, Ball, & Plug Valves; Above Grade & Buried Service; Lever, Gear, Electric, Hydraulic, Pneumatic Actuators; Check Valves Tilting Disc, Rubber Flapper, Swing, Double Door, & Silent Types, Cone Valves & Energy Dissipating Valves Swing Check Valves; Lever & Weight, Spring Type, Pneumatic &

	Hydraulic Dampened; Specialty Valves
<b>LINED VALVE</b>	Cast and Fabricated Knife Gate Valves – 2 through 96 Inch; Bonneted and Open Styles; Ductile and Stainless Steel; Resilient Seat; Resilient Seat Gate Valves
<b>RW GATES</b>	Stainless Steel and Aluminum Sluice Gates, Weir Gates, Stop Logs, Bulkhead Gates, Flap Gates, Tilting Weirs, Telescoping Valves, Mud Valves, and Butterfly
<b>VENTOMAT</b>	Maximum Efficiency Air Release and Air Vacuum Valves for Water and Wastewater; Pinch Valves

## **COMPRESSOR & VACUUM SYSTEMS**

<b>GARDNER DENVER</b>	Packaged Air Compressors
<b>ROOTS, HOWDEN</b>	Rotary Lobe Positive Displacement Blowers; High Volume, Low Pressure, For Vacuum Or Pressure; Centrifugal High Efficiency, High Pressure, Low Noise Packaged Systems; Turbo Blowers and Packaged Turbo Blower Systems
<b>SPENCER TURBINE</b>	Centrifugal Blowers For Wastewater Aeration; Horizontal Multi-Stage, Oil Free
<b>All Of The Above</b>	Packaged Compressor Systems; Pressure, Vacuum & Vapor Recovery Systems

**Note: All of the listed products above are not available in all locations.**
